

## EAST NOBLE BAND BOOSTERS

December 7, 2017

President Sara Stein called the EN Band Boosters meeting to order. 17 in attendance.

### **Director's Report: Mr. Bryan Muñoz:**

Practice for Wed Dec 13<sup>th</sup> is cancelled.

Guard practice for Thursday, Dec 14<sup>th</sup> cancelled.

Wed is choir and band concert.

Thursday is jazz band concert.

**Secretary's Report- Kris DeLong:** A few paper copies of the last month's meeting are available at each meeting. They are always available online at Eastnoblebands.com. Approved by Pete Moga and Cheryl Bowers

**Treasurer's Report-Christine Mory:** finished Marching Band season in the black and have paid for some winter payments so far. Approved by Pete Moga and Connie Taylor.

### **SBA Treasure Report- Lisa Hiser:**

Outstanding fees: Marching Band \_\_\_\$6000\_\_\_\_\_ Winter programs \_\_\_\$2700 so far\_\_\_\_\_

Approximately \$9000 overall.

**CHARMS rollout-** Checked with Scott Frick (accountant) to see when we can make the transition so that it doesn't interfere with his ability to prepare the band's tax returns. He has indicated that it would be best to make the change at the end of a month so hoping for end of December or January.

### **Trustee report:**

1. Inventory needs to be completed. Gator needs serviced. (Doug Stackhouse will take care of this.)
2. Is trailer ready for Winter programs?

Pete- Haven't yet completed the inventory. Not sure what all he is supposed to be doing inventory on. Are trustees to do uniforms and items in the school? Band barn only? Etc. Sara Stein indicated that uniforms are separate and already accounted for, but that all other items that are property of the band need to be inventoried.

The trailer is ready for winter. The props were picked up and need to be unloaded. The stage is very large.

Will need a small second trailer for the winter, not a second semi. Will need a lot of people to unload and assemble during winter season. Will need pit crew of approximately 12 parents. Will need 12 people who are available at all WP and WW performances. Wicker just purchased 2 brand new trailers. Trying to get them to let us use their new Mack truck as well.

Hoping to have trailers unloaded (screens, props, etc.) in the next couple of weeks.

The screens need to have the tarps removed before we can return them.
