3. Semi-trailer repairs: Legal trailer is ready to use. We will be getting an estimate in writing for the Roughly \$1000 repairs to fix the trailer. We will budget \$1500 for extra expenses just in case.
 - a. We are able to use the trailer for the winter and fix it over the summer when not in need.
4. Suggestion/Question: Since marching band costs so much, why are fees so low? To encourage more kids to participate regardless of financial ability. Fundraising is a major way for us to pay off the extra expenses not covered by dues, but if families don't participate in fundraisers, we may see an increase in dues. To be discussed further
5. Suggestion/Question: Because we are requesting an opt-out of fundraising fee, but it is not in our contracts, suggestion was made to put it in the contracts so everyone who chooses to not participate in the fundraisers still has a financial obligation to pay the opt-out fee. To be discussed further
