

## East Noble Band Boosters, Friends, & Families:

We now have become a part of the Kroger Community Rewards program, that will help raise funds for our program. This will cost Kroger shoppers NOTHING to participate but a few minutes of your time.

Under the system, Kroger Loyalty Card holders sign up online, and choose a favorite charity or non-profit organization that Kroger has agreed to help fund—us! You will not sacrifice any in-store discounts or gas points that are earned on your card; Community Rewards is simply a charitable component & benefit from Kroger.

1. Go to [www.kroger.com](http://www.kroger.com) and make sure your Kroger Card is registered. You can create an account for free, if necessary.
2. Go to Account Summary.
3. Click on Community/Community Rewards and click “ENROLL NOW.”
4. Register your card with our organization, East Noble Band Boosters, by searching for our organization name or organization number: **84675**
5. Click ENROLL.

- a. At the top of the page, you will see “Account Summary—your enrollment in the Community Rewards program has been updated.”

Your purchases will begin earning rewards for EN Band Boosters within 7-10 days of registering your Kroger Plus Card online. Within those 7-10 business days of registering, you will see at the bottom of your Kroger receipt “At your request, Kroger is donating to the East Noble Band Boosters.” Your Kroger Plus Card can be linked to only one organization at a time.

This is such an exciting fund-raising opportunity for EN Band Boosters, and so easy to do! Best of all—NO COST to anyone! All proceeds will go into the EN Band Boosters general fund, and be used to continue supporting our wonderful band programs. Please feel free to share this information with other friends & family members.

Thank you for your support. After all, every little bit helps.
